Teaching Staff will also be supported with a dedicated Quality Improvement Coach Induction to explain the specific support that we have in place to develop teaching, learning and assessment, which is focused on helping staff to develop their teaching practice. We also fully fund any required Teaching or Assessing qualifications and allow new staff time off to attend the course.

We protect times as non-teaching time to allow teaching staff the opportunity to meet and review core activities. We also protect two days within the year for team activities as part of the college CPD programme on top of a further two cross college CPD days.

Individual Continuous Professional Development

Every member of staff has an annual appraisal with their manager, which looks at how we can support them in their role of making City of Bristol College the best it can be and putting you at the heart of the conversation.
